

Howard's News From MDE

July 16, 2018

The information in this document helps support Goal 4, Strategy 4.1, of [MDE's Top 10 in 10 Initiative](#) by helping to ensure students receive important nutritional resources to help them learn and grow.

Fresh Fruit and Vegetable Program (FFVP)

Congratulations to the 2018 – 2019 FFVP grantees (see attached list). Grantees cover almost 73,000 students across 185 schools. The main contacts for the grantees have been emailed and will receive further instruction. If your school is on the list, and you have not been notified or have other questions, please contact the Michigan FFVP Project Manager, Adrienne Davenport, at DavenportA1@michigan.gov.

Centers for Disease Control and Prevention (CDC)

The following is from CDC: "Professional development is a process that strengthens how administrators obtain and retain knowledge, skills, and attitudes. Strong professional development services for school administrators and staff are key to making sure schools can effectively implement policies to improve the health and well-being of students. Visit the [CDC Healthy Schools](#) website to learn more about professional development and get helpful tools and resources. Read about [Hawaii's](#)ⁱ success in providing professional development to school staff in an effort to improve policies and practices for student health."
