SUBJECT: Individuals with Disabilities Education Act Public Reporting of Data

The federal regulations implementing the *Individuals with Disabilities Education Act* (IDEA) at §300.602(b)(1)(i)(A) require public reporting on the performance of each local education agency on the targets established in the State Performance Plan/Annual Performance Report (SPP/APR) for each of the priority areas (Part B: Ages 3 through 21) in Michigan.

The SPP/APR for Part B of the IDEA 2004 (ages 3 through 21) is comprised of results and compliance indicators.
