

# Standard CTE Certificate

Valid for up to 5 years, the initial Standard CTE Certificate\* is required for teaching in state-approved career and technical education programs in the area specified on the certificate.

Some teacher candidates may be employed while earning the certificate. However, they must meet the qualification requirements set forth in [Career and Technical Education Authorizations](#).

Candidates for initial certification who have completed a CTE education preparation program outside of Michigan must follow the guidance found for [Out-of-State Applicants](#).

Teacher candidates who have not completed an educator preparation program must work with a Michigan [educator preparation institution](#) approved to offer CTE programs and work with the institution to meet all of the following requirements:

1. Hold a bachelor's degree in any area.
2. Hold a major or minor in the field of specialization in which CTE certification is being requested.
3. Document work experience in the CTE area that has been earned within the last 10 years totaling a minimum of 2 years (4,000 hours).
4. Complete a minimum of 6 semester credit hours of professional or CTE education credit.

Applicants apply through the [Michigan Online Educator Certification System \(MOECS\)](#) when program requirements have been met.

*\*The Standard CTE Certificate replaces the Interim Occupational Certificate pursuant to Administrative Rule 390.1101.*
