

# Interim Occupational Certificate

Valid for up to 6 years, the initial Interim Occupational Certificate is required for teaching in state-approved career and technical education programs in the area specified on the certificate.

## Requirements:

- Bachelor's degree; and
- Major or minor in the field of specialization in which occupational certification is being requested; and
- Work experience that has been earned within the last 6 years totaling a minimum of 2 years (4,000 hours) in the occupational area; and
- Passage of both the Michigan Test for Teacher Certification Professional Readiness Examination and appropriate subject area exam available at the time of application; and
- Minimum of 6 semester credit hours of professional or occupational education credit.
