# STATE SCHOOL AID UPDATE

Michigan Department of Education

#### FY 2021 SCHOOL AID

The School Aid budget for FY 2021 is a work in progress at this time. Responding to the COVID-19 pandemic has taken much of the time and energy that the Legislative and Executive branches would normally have spent on budget development. As tax collections have fallen, it is possible we may see another Consensus Revenue Estimating Conference take place later this summer. Unfortunately, it is likely we will see some very difficult decision-making take place late in the budget development cycle.

# DAYS AND CLOCK HOURS REPORTING

Deadlines: The district deadline for submitting the Days and Clock Hours of Instruction Report for the 2019-20 school year is July 15, 2020. Intermediate districts will have until August 1, 2020 to certify the district data for submission to the Department as required under Section 101(3) of the State School Aid Act. Districts are encouraged to submit their days and clock hours report to the ISD early where possible to allow for adequate time to review and correct issues with the submission.

Reporting: The days and hours reporting has been integrated into the Educational Entity Master (EEM) and is accessible through the "Days and Clock Hours" application link in the left navigation. After clicking on the link, users will select "Data Submission" to start their report for the year.

Note: The "Days and Clock Hours" application requires specialized credentials to access the system. If the "Days and Clock Hours" application link does not appear in the left navigation after logging into the EEM, please contact CEPI for assistance in gaining access to the application.
