

# 2018-19 REPORT LAYOUT GUIDE

## MICHIGAN SCHOOL INDEX SYSTEM

The screenshot shows the Michigan School Index System report interface. At the top, there is a navigation bar with 'MI School Data', 'School Index', 'REPORT SEARCH', and 'HELP'. Below this is a menu with categories like 'Parent Dashboard', 'Early Childhood', 'Special Education', 'K-12th Grade', 'Postsecondary', and 'Other & Data Files'. A search bar labeled 'Find a School' is present. Utility links include 'Accountability Downloads', 'Accountability Issues', 'Download/Print', 'Link to Report', and 'About This Report'. The main content area is titled 'School Index: 2018-19' and includes fields for 'School Name' and 'District Website'. A 'School Overview' section features a 'School Year' dropdown set to '2018-19' and a note: 'Click inside the tiles below to see more information about each key performance indicator.' The overview consists of eight tiles, each with an icon, a number, a title, a value, and a 'View More' link. The tiles are: 1) Overall Index (100.00), 2) Support Category (N/A), 3) Growth Index (100.00), 4) Proficiency Index (100.00), 5) Graduation Rate Index (100.00), 6) English Learner Progress Index (100.00), 7) School Quality and Student Success Index (100.00), and 8) Assessment Participation Index (100.00 for Assessment Participation, 100.00 for English Learner Participation).

### Indicator Descriptions

- 1) The Overview tile and value displays the overall, school-level index value on a scale of 0-100 determined for the selected school.
- 2) The Support Category tile displays a support label if the selected school was identified for school support and improvement needs. If the selected school was not identified for improvement, this tile will appear in grey and have no label.
- 3) The Growth Overview tile displays a 0-100 student growth performance index in ELA and math for the selected school if applicable.
- 4) The Proficiency Overview tile displays a 0-100 student proficiency performance index in ELA and math for the selected school if applicable.
- 5) The Graduation Rate Overview tile displays a 0-100 graduation rate index across 4, 5, a 6-year cohort graduation rates for the selected school if applicable.
- 6) English Learner Progress Overview tile displays a 0-100 student proficiency and growth performance index for English language learners in the selected school if applicable.
- 7) The School Quality and Student Success Overview tile displays a combined 0-100 performance index in the areas of on-track attendance, postsecondary enrollment, advanced coursework completion, and staffing ratios where applicable.
- 8) The Assessment Participation Overview tile displays a 0-100 student participation index on state assessments in ELA, math, science, and social studies combined and a 0-100 student participation in on the state assessment for English learners for the selected school where applicable.

Click "View More" on any overview tile to see more details and information.
