

Who Must/Can Take the MME?

The Michigan Merit Examination (MME) consists of three components: 1) the SAT® with Essay from which the English language arts (ELA) and mathematics scores will be derived, 2) ACT WorkKeys®, and 3) the Michigan Student Test of Educational Progress (M-STEP) Science and Social Studies assessments. Can an 11th grade student take MI-Access FI for all content areas and take SAT and/or WorkKeys also?

- Students taking the Grade 11 MI-Access FI assessments are **eligible, but not required** to take the WorkKeys assessment.
- If the SAT with Essay component of the MME is an appropriate assessment for the student as determined by the Individualized Education Program (IEP) team, then the ELA and mathematics scores will be derived from the SAT with Essay and the student will not take MI-Access FI ELA and mathematics tests. If the student's IEP team determines the MI-Access FI ELA and/or mathematics assessment is the most appropriate for the student, then the student is **not eligible** to take the SAT with Essay.
- The student will take the appropriate level science and social studies tests (M-STEP or MI-Access) based on his or her IEP.
- If a student participated as an 11th grader in a previous MI-Access administration, then the student is **not eligible** to take any component of the MME.
