

MME Focus #1 for January 2014

This is the first in a series of emails you will receive through the end of March to help you administer the Spring 2014 Michigan Merit Examination (MME) in manageable “bite-size chunks.” If you focus on these points each month, we think your MME experience will go smoothly.

Note: Place your initial order for MME test materials BEFORE the order window closes on January 10, 2014.

We have organized the January activities according to the MME Key Staff member responsible for executing the MME-related action. It is our hope that this will support your handling and organization of required MME activities as well as highlight what to expect in January.
