

JEREMY WINSOR

Region 4 Teacher of the Year

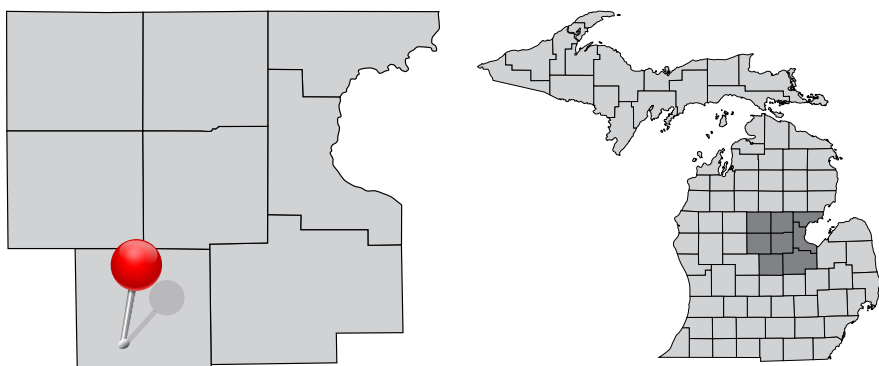

SCIENCE • FULTON MIDDLE SCHOOL/HIGH SCHOOL

BIO

Jeremy Winsor is a 14-year teaching veteran, with the last 10 years in the classroom at Fulton Schools. As a middle school and high school teacher. Jeremy teaches a variety of science-related subjects, including: middle school science, Earth Science, Biology, Forensic Science, Anatomy & Physiology, Microbiology and Environmental Science. He previously taught at Ionia High School and Bear Lake Schools. He's also coached wrestling, football and track & field.

Jeremy currently serves on his district's improvement, safety and scheduling committees. He is also chair of the science department and has led the charge for Modeling Instruction Integration. Along with his many roles at school, Jeremy is a co-director for the Beaver Island Institute through Central Michigan University's Chippewa River Writing Project, where he assists educators in building science literacy and fostering inquiry in the science classroom. He is also an active member of the Department of Natural Resources' Salmon in the Classroom program, leading workshops for the last 10 years.

REGION 4

Region 4 includes all schools in Arenac, Bay, Clare, Gladwin, Gratiot, Isabella, Midland and Saginaw counties.

Program expenses for the Regional Teachers of the Year, Michigan Teacher of the Year and Michigan Teacher Leadership Advisory Council are covered through a generous partnership with Meemic.
