FROM: Dr. Scott M. Koenigsknecht, Deputy Superintendent 
P-20 System and Student Transitions

SUBJECT: MTSS Summer Professional Learning Opportunities

Michigan's Integrated Behavior and Learning Support Initiative (MIBLSI) is offering multiple professional learning opportunities this summer for Michigan educators. As part of Michigan's Top 10 in 10 Strategic Plan, the Michigan Department of Education (MDE) is working to ensure that students access effective practices and educators can successfully use a comprehensive Multi-Tiered System of Supports (MTSS).

Each event is specifically designed for individuals new to, or exploring, implementation of either a MTSS framework, Positive Behavioral Interventions and Supports (PBIS) as a component of an MTSS framework, or an Interconnected Systems Framework (ISF) to support the integration of community mental health into the MTSS framework.

MIBLSI will be hosting national speakers for each event along with highlighting local presenters reflecting the current work related to MTSS, PBIS, and ISF happening within the state of Michigan. ***Please Note: There are deadlines for all the professional learning opportunities and pre-registration is required.*** Additional information about each event and how to register can be found on the [Events page of the MIBLSI website \(https://miblsi.org/events\)](https://miblsi.org/events).

If you have any questions regarding the any of these events, please contact Melissa Nantais at mnantais@miblsimtss.org.
