**FISCAL YEAR 2013
CHILD AND ADULT CARE FOOD PROGRAM
FAMILY DAY CARE HOME SPONSORS MEMORANDUM #27**

TO: Family Day Care Home Sponsors

FROM: Kyle L. Guerrant, Director *(K.L.G.) 9-12-13*
Office of School Support Services

DATE: September 12, 2013

SUBJECT: **Monitoring of Licensing Requirements in the Child and Adult Care Food Program**

ACTION: **Sponsoring organizations may monitor licensing requirements and must report health and safety violations to appropriate contacts where imminent threat is present**

This memorandum will provide guidance and clarification on the Child and Adult Care Food Program (CACFP) monitoring of licensing requirements. Review of licensing requirements is not required by the Michigan Department of Education (MDE) and is not an allowable use of CACFP funds.

CACFP administrative funding provided to sponsors supports a variety of oversight functions including monitoring, training, technical assistance, eligibility determinations, claims processing, enrollment paperwork, and program outreach. These requirements are supported by CACFP funds.

To the extent that licensing and CACFP requirements overlap, CACFP sponsors may share information on those items with licensing authorities. MDE does not require CACFP sponsors to monitor a facility's compliance with Bureau of Child and Adult Licensing (BCAL) or report licensing violations to the BCAL except for health and safety violations where an imminent threat is present.

Monitors that discover conduct or conditions that pose an imminent threat to the health and safety of participants or the public must immediately notify the appropriate state or local licensing, health, or law enforcement authorities and take action that is consistent with the recommendations and requirements of those
