

MICHIGAN ESSA State Plan

The Every Student Succeeds Act (ESSA) Michigan State Plan work structure includes a number of state leadership members, district and school representatives, and professional organization representatives. The work is divided among multiple teams and committees, with representation from around the state. Each of the groups shown will be working with a core team from Michigan Department of Education. Stakeholder engagement will be important throughout the plan's development.

Action Teams

1. Accountability System – Technical
