

eResources Supporting Early Literacy

The Early Literacy eResources available in the Michigan eLibrary support the *Essential Instructional Practices in Early Literacy* published by the Early Literacy Task Force, a subcommittee of the Michigan Association of Intermediate School Administrators General Education Leadership Network.

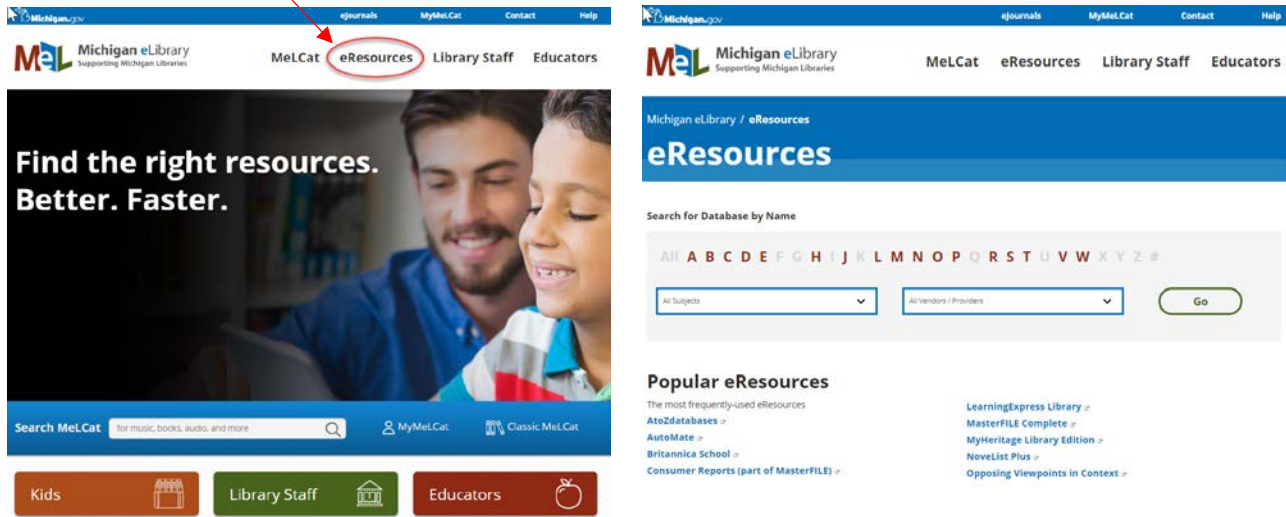

These eResources, available to all residents in the State of Michigan, extend the amount of reading material and opportunities for reading in the classroom, and at home. Additional eResource features aligned with these early literacy practices include:

- a **read-aloud feature** for books and encyclopedia content with text that is highlighted while it is being read; **pronunciation tools** for vocabulary words
- child-friendly **explanations of words** within texts and reinforcement of those words with tools such as videos and photos
- activities that build **phonological awareness** including listening to books and songs with rhyming, and sorting pictures, objects and words by sound.
