

Initiative Inventory

This tool can be used to guide your team’s review of past and current programs to get a clear picture of existing initiatives, mandates, and resource commitments. Information and data collected can be used by the organization when exploring the fit of additional initiatives with current work, guide decision making to make room for new work, and assist with alignment of initiatives.

Date of Inventory:

Name of Initiative	Leadership of Initiative (Team and/or Coordinator: Name and Department)	Expected Outcome	Scale of Intended Use (National, regional, targeted population)	Start and End Date	Financial Commitment and Source of Funding (federal, state, grant, or other)	Relation to Organization Priorities & Strategic Plan	Measures of Outcomes	Evidence of Outcomes What has happened thus far?
