MEMORANDUM

TO: Local Education and Intermediate School District Superintendents  
Public School Academy Administrators

FROM: Mike Flanagan 

SUBJECT: K-12 Survey on Teacher & Administrator Performance Evaluation Systems

As you are aware, the Michigan Department of Education (MDE) submitted Michigan's applications for funding under the State Fiscal Stabilization Fund II (SFII) and the Race to the Top (RT3) competitive grants in January 2010. One of the SFII requirements is that the state compile information and data on the number of teachers and administrators evaluated each year and the number rated in each category. In order to meet this requirement, the MDE has developed a 10-15 minute survey for each local district, intermediate school district, and public school academy to complete. The survey will be available on May 10, 2010 through 5:00 p.m. on May 28, 2010 at:

Your completion of the survey helps to implement Michigan's compliance with all SFII requirements. Failure to complete the survey may result in a loss of SFII funds for the state as well as your local district or school. Thank you for taking the time to complete this short, but very valuable survey. If you have any questions regarding this survey, please contact Dr. Catherine Smith at 517/335-4610.
