Background

The federal regulation implementing the Individuals with Disabilities Education Act (IDEA) at 34 C.F.R. §300.203 requires that all local school districts, public school academies, and intermediate school districts who expend IDEA, Part B funds comply with "maintenance of effort" provisions. Purpose

The purpose of this memorandum is to notify local school districts, public school academies and intermediate school districts that expended IDEA, Part B funds in the 2005–06 fiscal year of the process that will be followed to comply with 34 C.F.R. §300.203. Districts that have not maintained state and local effort following this initial review will be contacted to provide additional information under 34 C.F.R. §300.204 Exception to Maintenance of Effort. It is anticipated that intermediate school district personnel will work in cooperation with local school district and public school academy personnel to ensure that all federal exceptions to the maintenance of effort requirement are applied appropriately in the attempt to document state and local effort.

The Michigan Department of Education, Office of Special Education and Early Intervention Services will be available to provide technical assistance. The failure of the local school district, public school academy, or intermediate school district to maintain state and local effort will result in repayment with non-federal funds to the Department the lesser of the effort that was not maintained, or the total of the federal allocation.

If you have further questions regarding Maintenance of Effort in general, please contact Monica Butler or John Cloft, Program Finance, at (517) 373-8730.
