

# Focused Monitoring Activities

**Fall 2013**

In accordance with the *Individuals with Disabilities Education Act* (IDEA), § 300.600 (State Monitoring and Enforcement), the Michigan Department of Education, Office of Special Education (OSE) conducts focused monitoring activities in districts based on data submitted by districts. The fall 2013 monitoring priorities are Indicator 9 (Disproportionate Representation-Child with a Disability), 10 (Disproportionate Representation-Eligibility Categories), Significant Disproportionality and General Supervision Monitoring (GSM).

**Indicator 9:** Significantly disproportionate representation of racial and ethnic groups that is the result of inappropriate identification.

**Indicator 10:** Disproportionate representation of racial and ethnic groups in specific disability categories that is the result of inappropriate identification.

**Significant Disproportionality-Discipline:** Districts are considered to have significant disproportionality when the risk ratio for discipline is greater than 3.0 for students with an Individual Education Program (IEP) in any racial/ethnic group.

**Significant Disproportionality –Identification:** Districts are considered to have significant disproportionality when the risk ratio is greater than 3.0 for two consecutive years for any racial/ethnic group across all disabilities or for any racial/ethnic group within a single disability category.

**GSM:** Provision of a free appropriate public education for students with an IEP.
