MEMORANDUM

TO: Local and Intermediate School District Superintendents and
Public School Academy Directors with Schools Identified as Priority

FROM: Linda Forward, Director 
Office of Education Improvement and Innovation

SUBJECT: Priority Schools Quarterly Progress Reports to School Boards

Among the requirements of the *Elementary and Secondary Education Act* (ESEA) and the Michigan Department of Education's (MDE) approved ESEA Flexibility Waiver for districts with Priority schools is completion of a Quarterly Progress Report from the district to its school board and submission of a copy of the Quarterly Progress Reports to the MDE.

The requirement applies to districts with both Title I, and non-Title I identified Priority schools, identified as Priority in 2012 and/or 2013. The ESEA Flexibility Waiver and the MDE do not prescribe a format for the Quarterly Progress Report; however, the Quarterly Progress Report must articulate and document the district's and school's activities, interventions, data, and progress in improvement of achievement in the Priority school(s) of the district.

The district Quarterly Progress Reports to the school board will be submitted to the MDE using the Grant Electronic Monitoring System (GEMS). Districts should be prepared to begin submitting reports to the MDE in mid-December 2013. Additional Quarterly Progress Reports will be submitted by the district during 2014. Specific directions about submission of the documents in GEMS will be provided to districts and schools later in the fall.
