Re: Meal Pattern and Component Tool Refresher

The staff of the Michigan Department of Education (MDE) School Nutrition Programs unit is pleased to announce a hands-on, activity-based virtual workshop for school nutrition professionals. This workshop is targeted to food service staff and will provide active sessions where participants can interact with MDE staff.

The workshop consists of a half-day session and will cover nutrition related information for the National School Lunch Program (NSLP). There is no cost for the workshop.

Group activities will provide the opportunity to save information that can be used in your operation. See draft agenda on the following page.

Registration for the training is required. To register, see the registration links below. **Please register for which day you plan to attend.** Registration will end one week before the workshop or when the workshop is full.

Date: September 22, 2021
