Partnership Agreement for Public School Academies
March 2018

THIS PARTNERSHIP AGREEMENT (Agreement) is entered on 5/21/2018 between the Michigan Department of Education (MDE), the State School Reform/Redesign Officer (SRO), the Saginaw Valley State University (Authorizer) and:

Saginaw Preparatory Academy
5173 Lodge St.
Saginaw, MI 48601
Molly Rundell, School Leader
Christina Gayton, Academy Board President
Saginaw Valley State University, Authorizing Agent

(Each a “Party,” collectively “the Parties”).

The above-named Parties agree that upon the commencement date of this Agreement, they shall be deemed to have mutually agreed upon goals and outcomes for the Academy. The agreed upon goals and outcomes set forth in this Agreement shall be consistent with the educational goals and outcomes set forth in the Academy’s charter contract, which includes all charter contract amendments, issued to the Academy by the Authorizer (collectively the “Contract”). Contract goals will be amended to align to Partnership goals with the partnership goals superseding contract goals during this agreement. The partnership agreement will be between the MDE and the Public School Academy board.

The purposes, terms and conditions of this Agreement are as follows:
1) PURPOSE OF THIS AGREEMENT: The Parties enter into this Agreement with the purpose of working collaboratively in setting 18-month benchmarks and 24-month outcome goals for the Academy with the intent to significantly increase student achievement in the Academy school(s) named in this Agreement; and to determine the next level of accountability if the 18-month benchmark(s) or 36-month goal(s) set forth in this Agreement are not be met by the Academy.

Michigan Law requires the Superintendent of Public Instruction (State Superintendent) to publish a list identifying the public schools in the State that MDE has determined to be among the lowest achieving 5% of all public schools in the State. The Academy school(s) subject to this Agreement are either identified as Comprehensive Support and Improvement (CSI) Schools or are electively added to this agreement per the request of Saginaw Preparatory Academy Board. Under Michigan Law, the SRO has the authority provided in MCL 380.1280c to address chronically failing schools to achieve superior academic performance for students at those schools. The SRO is executing its statutory responsibilities defined in MCL 380.1280c by assigning the oversight of the Academy school(s) named in this agreement to the Michigan Department of Education (MDE) for the duration of this agreement, pending the Next Levels of Accountability (NLA) defined in Paragraph 20 do not require implementation as defined therein. This partnership agreement will further facilitate the achievement of that purpose, create greater stability, maintain school governance at the Academy, and avoid the threat of action by the SRO under Section 1280c.

Likewise, the Code requires that the Academy operate pursuant to the Contract issued by the Authorizer. The Code defines the Contract as the executive act taken by the Authorizer evidencing the authorization of the Academy and establishes, subject to the constitutional powers of the State Board of Education and applicable law, the written instrument executed by the Authorizer conferring certain rights, franchises, privileges, and obligations on the Academy and confirms the status of the Academy as a public school in this State. The Contracts contains specific requirements for the Academy to operate as a public school, including the educational goals and programs for the school, the curricula and methods of pupil assessment (collectively "Educational Program"). The Academy is required to implement the Educational Program identified in the Contract. The updated goals and benchmarks set forth in this contract shall be consistent with the newly identified Educational Program agreed upon in the partnership agreement. The Code provides that Authorizer is responsible for overseeing compliance by the Academy's Board of Directors with the Contract and applicable law, but this responsibility does not relieve any other government entity of its own enforcement or supervisory responsibility.
It is mutually agreed by all parties to this agreement that the implementation of this partnership agreement is in the best interest of the students at Saginaw Preparatory Academy for its/their academic improvement.

2) TERMS AND CONDITIONS: Saginaw Preparatory Academy Board of Directors retains control of the schools named in this Agreement. The Parties will provide mutually agreed upon support to the Academy to meet the benchmarks and goals defined below.
