

School Nutrition Programs (SNP) Bulletin

October 2, 2020 - School Nutrition Programs (SNP) Bulletin No. 10 - Thank You

Thank You

Families across the state are so thankful that front line food service workers have continued to show up and exemplify what it means to care for one another. When many people were not leaving their homes and didn't open the door to the outside, food service workers across our state continued to go out on the front lines and FEED KIDS! What you have done and what you continue to do is truly amazing!! Enjoy this video and know that you have affected so many families in a positive way during this time! Thank you.
