**MEMORANDUM**

**DATE:** November 25, 2020

**TO:** Sec. 41 Bilingual Grant Main Contacts

**FROM:** Dr. Paula Y. Daniels, Director *P. Y. D.*  
Office of Education Supports

**SUBJECT:** Revised 2020-2021 Sec. 41 Bilingual Grant Allocations

The 2020-2021 Section 41 Bilingual Grant Allocations have been revised due to an oversight discovered in the MEGS+ data used to determine the final allocation. The revised allocations are posted on the Office of Educational Supports (OES) Program Allocations webpage under the [2020-21 Final Programs Allocations](#) and in the 2020-2021 Section 41 Bilingual Grant Application in MEGS+.

The deadline for application is January 15, 2021. When met, this deadline will allow our office ample time to place the application into the Grant Funds Available status and make the necessary arrangements for payment through the State Aid Management System (SAMS) for monthly payment disbursements. When you submit your final application, confirm all required elements are also submitted to ensure a quicker turn around for your funding to be processed.

If your local education agency (LEA) has already submitted the modifications for the 2020-2021 Section 41 Bilingual Grant Allocation original final allocation, you will need to update your budget to match the new allocation. These grants will be sent back to you for modifications during our program review process.

For questions regarding MEGS+, contact Tammy Franks at [FranksT1@michigan.gov](mailto:FranksT1@michigan.gov) or 517-335-0352.
