SUBJECT: Criteria for Direct Funding Public School Programs on the Grounds of Child Caring Institutions and Juvenile Detention Facilities

The "Criteria for Direct Funding Public School Programs Serving Pupils on the Grounds of Child Caring Institutions and Juvenile Detention Facilities" for the 2021-22 school year is available. The [Section 24 information](#) is located under the State Aid Information section of the Office of Special Education's [Funding webpage](#).

These criteria will be used as funding criteria for the completion of the "2021-22 Section 24 Actual Cost Report for Public School Districts Approved to Operate Programs on the Grounds of Child Caring Institutions and Juvenile Detention Facilities" in September of 2022. Districts need to file a letter of intent to continue to operate the on-grounds programs during 2021-22. Submission of this letter will guarantee preliminary funding for 2021-22. Letters of intent should be sent to Michigan Department of Education, Office of Special Education, Program Finance, Attn: JL Purves, P.O. Box 30008, Lansing, Michigan 48909 or emailed to PurvesJ@michigan.gov, no later than September 30, 2021.

We look forward to working with you during the 2021-22 school year in implementing the Section 24 fiscal and programmatic process. If you have any questions regarding the budgetary process, please contact JL Purves by email at PurvesJ@michigan.gov, or by calling the Office of Special Education, Program Finance at 517-241-1235.
