Online Testing Waiver Window

In Spring 2018, the M-STEP, MI-Access Functional Independence (FI), and WIDA ACCESS for ELLs 2.0 assessments will be administered online. Spring 2017 was the last year for schools to request a paper/pencil version while transitioning to online assessments. Paper tests will still be available to individual students as an accommodation.

A small number of school buildings may never be able to test online. Examples could include buildings with no internet access, juvenile justice facilities that do not allow students online, or some center-based special education programs. These schools will have the opportunity to submit online waiver request(s) to administer the paper/pencil version of M-STEP, MI-Access FI, and WIDA ACCESS 2.0 assessments. (MI-Access Supported Independence and Participation will remain paper only.) The request window closes Tuesday, November 21, 2017. Districts must submit the online waiver request(s) by November 21, 2017 in order to obtain the paper/pencil materials needed. It is important to note that requests for EACH school and EACH assessment must be submitted separately.

A school (or building) is the smallest unit that may request an online waiver. A school may not apply to have only certain grades or content areas take the paper/pencil assessments.

Schools that are administering online but have individual students who—as outlined in the Student Supports Accommodations Table located under the Student Supports

(Continued on next page)
and Accommodations section of each assessment web page—need to use a paper/pencil form due to a disability or for another reason will not need to request an online waiver. Schools will have the opportunity to order paper/pencil materials on the Material Order screens in the Secure Site to accommodate these individual students.

**Process:**
Requests for an online waiver must be submitted through the OEAA Secure Site by a user with District Administrator or Nonpublic School Administrator access, using the process detailed in the Online Waiver Request document on the OEAA Secure Site Training web page (www.michigan.gov/securesitetraining) under Miscellaneous.

**1% Cap on Alternate Assessment Public Notice Posted**
The rules surrounding what is meant by "1%" relative to Michigan’s alternate assessment has changed under the Every Student Succeeds Act (ESSA). Under these new rules, no more than 1% of students assessed in each subject area may be assessed (participate) using an alternate assessment. This is a departure from the past, in which 1% only referred to proficiency rates related to the state’s accountability system.

Michigan anticipates that it will exceed the 1% Cap in 2018. To demonstrate our plan to bring Michigan into compliance with this regulation, MDE will be applying for a waiver from the Spring 2018 testing window, as provided for by ESSA, which will be submitted to the U.S. Department of Education (ED). MDE is seeking comments on the waiver application from all interested parties.

For more information on this process and to find out how to submit your comments, please read the memo from State Superintendent Brian Whiston, which is located on the MI-Access web page (www.michigan.gov/mi-access) under the What’s New section.

MI-Access Science Assessment Remains the Same

In Spring 2018, the Michigan Department of Education (MDE) will be conducting a statewide M-STEP Science Field Test based on the Michigan K-12 Science Standards. This M-STEP science field test will be administered in grades 5, 8, and 11.

However, it is important to note that the MI-Access assessment, Michigan’s alternate assessment, is not changing in 2018. The MI-Access Science assessments, which are based on Michigan’s Extended Benchmarks for Science, will continue to be administered at grades 4, 7, and 11. Students taking the Functional Independence, Supported Independence, or Participation levels of the MI-Access science assessment are not required to participate in the M-STEP science pilot.

The MDE is working on a process for revising and updating the alternate content expectations in science to align with the Michigan K-12 Science Standards. Please watch the Spotlight on Student Assessment and Accountability for future opportunities to participate in this process.

WIDA Test Exceptions & False English Learner (EL) Guidance

The window for WIDA Test Exceptions will be open from December 11, 2017 – February 5, 2018 in the OEAA Secure Site. This window is a period of time in which educators may request a waiver from the Spring 2018 WIDA ACCESS for ELLs 2.0 or the

Alternate ACCESS for ELLs for students with specific disabilities. All test exceptions must be applied for on an annual basis and approvals do not carry over from year to year. For more information on WIDA Test Exceptions please refer to the WIDA ACCESS for ELLs 2.0 and Alternate ACCESS for ELLs Test Exceptions and False EL Guidance document found on the MDE WIDA web page (www.michigan.gov/wida). Directions for submitting WIDA Test Exceptions can be found on the Secure Site Training web page (www.mi.gov/securesitetraining) under the Miscellaneous section. For questions about how to submit WIDA Exceptions, please contact the Call Center (select Option 3) or email mde-oeaa@michigan.gov.

**Parent Survey on School Transparency Dashboard Deadline Extended**

Parents now have until November 26, 2017 to provide feedback on the state’s new online “school transparency dashboard” designed especially for parents and caregivers.

School, community, and parent leaders are encouraged to distribute the survey link widely to parents, grandparents, and other caregivers in their networks. Schools, libraries, and other organizations can also download and print a flyer to post near public computers or distribute to families. Download the flyer (www.michigan.gov/documents/mde/Transparency_Dashboard_Flyers_604808_7.pdf)

- The online survey (www.surveymonkey.com/r/MDEESSA_Dashboard2017) is available through November 26, 2017.

The survey can be completed on any computer, tablet, or mobile device. It should take no more than 15 minutes to complete, and all answers will be confidential.
Questions about Spring PSAT 8/9, PSAT 10, or SAT?

- call the Michigan Educator Hotline: 866-870-3127 (select Option 1)
- email michiganadministratorsupport@collegeboard.org

**Reminder:** If the principal or test supervisor received an email regarding the intent of your school to participate in the Spring 2018 PSAT 8/9, PSAT 10, or SAT, the deadline to respond is **Friday, November 17, 2017.**

**Accessing SSD (Services for Students with Disabilities) Online**

SSD coordinators will use the SSD Online to submit accommodation requests on the behalf of students for PSAT 8/9, PSAT 10, and SAT. **Schools can have multiple SSD coordinators,** but only one should be listed as the primary coordinator in the EEM, who will receive communications from the College Board. Once the SSD coordinator(s) are identified, they need to request access to the SSD Online system.

To access the system as a new SSD coordinator(s):

1. Sign up for a College Board professional account on the College Board website (www.collegeboard.org) if you don’t already have an account.
2. Complete the [SSD Coordinator Form](https://www.collegeboard.org/ssd), found on the [College Board Services for Students with Disabilities (SSD) web page](https://www.collegeboard.org/ssd).
3. Receive an access code to link your SSD Online access to your College Board professional account (first time only). It may take 1-2 days to receive the access code.
4. Accommodation requests may begin once the access code is used for SSD Online.

**Preparing to Request Accommodations**

The process for requesting accommodations can be more efficient if the SSD coordinator has certain information about the student(s) on hand. This information includes:

- IEP or 504 Plan
  - information about the diagnosed disability
  - month/year that the IEP or 504 plan was first created
- Demographic information
  - official student name that the student will be pre-Identified within the Secure Site
  - student or parent email address
  - date of birth
  - estimated graduation date
  - gender
  - student mailing address
  - student phone number

(Continued on next page)
Types of Accommodations
All accommodations requests will be submitted through our Services for Students with Disabilities (SSD) Online system. There are two types:

- **College Board Accommodations:** Students with approved accommodations will receive college or scholarship reportable scores. Once approved for accommodations, with limited exceptions, a student remains approved for all College Board tests.

- **State Allowed Accommodations (SAA):** These are state-specific accommodations or supports defined by the Michigan Department of Education. Students, schools, and the state will receive scores; however the scores are not accepted by colleges, universities, or scholarship programs. These accommodations apply to state testing only and are requested for each state administration. Examples of SAAs include taking only the math section of the assessment for first-year English Learners and the use of American Sign Language for test questions and student responses.

  - The window for requesting state allowed accommodations starts on **January 15, 2018**. All state allowed accommodation requests are automatically approved and require no documentation.

  - When the window opens, SSD Online will contain a link to request state allowed accommodations.

The deadline for all accommodation requests for PSAT 8/9, PSAT 10, and SAT is **February 19, 2018**.
Managing Participation for ACT WorkKeys® Opened Monday, November 6, 2017

The first step in the ACT WorkKeys assessment, for both public and nonpublic schools, is to complete the Manage Participation process (previously referred to as the “establishment” process). An email from ACT was sent on November 6, 2017 to the WorkKeys Test Coordinator as designated in the Educational Entity Master (EEM) (www.michigan.gov/eem). The email contained links to instructions on completing the Manage Participation process to indicate your school’s participation status and to select the preferred materials receipt dates.

If the WorkKeys Test Coordinator who is identified in the EEM did not receive this email by November 6, 2017, please check the EEM (www.michigan.gov/eem) to verify that your name and contact information exists in the system and is accurate. If you are listed accurately in the EEM as the WorkKeys Test Coordinator for your school, please check your email account’s junk folder. The email may have been delivered to that folder. If all the information is listed correctly, and you are unable to locate the email, please contact ACT at the phone number or website shown at the end of this article on the following page.

If the information in the EEM system is inaccurate, please contact your district’s authorized EEM user to update the EEM system. If you are not sure who is the district authorized EEM user, you can use the District and School Contact page on the OEAA Secure Site (www.michigan.gov/oeaa-secure) to retrieve the name and contact information for the authorized EEM user for your district. Also verify that the WorkKeys Coordinator on the District and School Contact page of the OEAA Secure Site is accurate if you have access. Instructions for using the District and School Contacts page are available on the Secure site Training web page (www.michigan.gov/secureststraintraining) under the Miscellaneous section. Nonpublic schools should contact Kevin Walters at 517-335-0543 or email nonpublicschools@michigan.gov for updates to the EEM.

The window for managing participation for ACT WorkKeys is open until Friday, December 1, 2017. All schools must use the PearsonAccessnext™ system to confirm they are participating to receive test materials and to administer the WorkKeys assessment.

Access to PearsonAccessnext

Only the assigned WorkKeys Test Coordinator on file in the EEM system received an “ACT Account Access: New Account” email from NoReplyTestAdmin@act.org on November 6, 2017 that includes a link and instructions to create your password. Once the WorkKeys Test Coordinator has created a password, they’ll receive a confirmation email and be able to log into the system.
