Reminder: LEA/PSA and ISD Justification Forms Coming Due

The Every Student Succeeds Act (ESSA) requires data collection from those districts that contribute to the state exceeding the 1% cap on participation in the state alternate assessment (MI-Access). **Please note:** Local Education Agencies (LEAs) and Public School Academies (PSAs) must submit their [Exceeding 1% Cap Justification Forms](#) to their associated Intermediate School Districts (ISDs) **today, February 15, 2018**. This form is located on the [MI-Access web page](#) (www.michigan.gov/mi-access) under **What's New**.

The ISD director of special education will collect all LEA/PSA forms and submit them to the MDE, along with the first two pages of the ISD Justification Summary, no later than **March 9, 2018**. The [ISD Justification Summary](#) can be found on the [MI-Access web page](#) (www.michigan.gov/mi-access) under **What's New**.

Instructions for ISD submission:

- complete and save the ISD summary form
- send the ISD summary form and LEA forms either electronically (preferred) or by mail
- **Electronic submission:**
 - ♦ scan all justification forms for ISDs/LEAs/PSAs whose participation rates are more than 1%, and save as a PDF file
 - ♦ send the ISD summary form and all justification forms via email to: JaquithJ@michigan.gov

(Continued on next page)

- **Mail submission:**

- ♦ print the ISD summary form and make copies of all justification forms for ISDs/LEAs/PSAs whose participation rates are more than 1%
- ♦ create a hard copy packet with the ISD summary form as the cover page, followed by a copy of each justification form

WIDA Additional School/District Labels

Most schools and districts should have received an adequate supply of School/District Labels. However, if schools and districts need to order additional labels, districts MUST send an e-mail to mde-oeaa@michigan.gov with the following information in order for OEAA to request a shipment of those materials from DRC:

- District Name
- School Name
- Quantity of School/District Label Sheets (1 Sheet = 10 Labels)

Supports & Accommodations Table Changes

Educators should note a few small changes to this year's [Supports & Accommodations Table](#) located on each assessment web page.

General removal

- All references to Performance Tasks were removed because these item and tasks types were removed from the Spring 2018 assessments.

M-STEP ELA

- The use of the following tools was tied to Performance Tasks. The tools were removed along with the Performance Tasks:

Whitelisting

When testing online, your firewall or content filters may stop testing data unless you either allow INSIGHT traffic to bypass them or whitelist the addresses INSIGHT is trying to reach. If you have multiple layers of protection, please remember to update the whitelist on all of them. The following list covers WIDA, M-STEP, MI-Access, and Early Literacy and Mathematics Benchmark testing with a port/protocol of 80/http and 443/https for all:

- mi-insight-client.drccedirect.com
- insight.drccedirect.com
- mi.drccedirect.com
- www.drccedirect.com
- wbte.drccedirect.com
- dtk.drccedirect.com
- api-gateway-cloud.drccedirect.com
- api-gateway.drccedirect.com
- cdn-content-prod.drccedirect.com
- cdn-download-prod.drccedirect.com
- drc-wbte-prod.s3.amazonaws.com
- wida-insight.drccedirect.com
- wida.drccedirect.com
- www.wida-ams.us

If you can whitelist wildcard addresses, DRC recommends whitelisting *.drccedirect.com.

2016-17 School Accountability Reports and Accountability Student Datafiles Coming Soon!

In the coming weeks, the MDE will give authorized users of the Secure Site access to preview the new Michigan School Index System reports and accountability student datafiles with 2016-17 school year results. The Michigan School Index System was developed to comply with the accountability requirements set forth in the Every Student Succeeds Act of 2015 (ESSA). Authorized users of the Secure Site will be able to download accountability student datafiles and aggregate school-level reports.

Aggregate reports will include an overall school index value, ranging from 0-100, that indicates performance across subgroups in multiple data components. Overall school index values will be used for identifying schools for state and federal supports. More information and supporting resource materials will be provided at that time.

See the original article in the [February 8, 2018 Spotlight](#) for more details.

SAT Corner

Information on SAT™, PSAT 8/9™, and PSAT10™ provided by the College Board

Questions about Spring PSAT 8/9, PSAT 10, or SAT?

- call the Michigan Educator Hotline: 866-870-3127 (select Option 1)
- email michiganadministratorsupport@collegeboard.org

Manuals

The Spring 2018 SAT with Essay, PSAT 10, and PSAT 8/9 for 9th grade Michigan-specific manuals are currently posted for review on the [MME web page](http://www.michigan.gov/mme) (www.michigan.gov/mme). The first printed copies arrive the week of February 19, 2018.

Accommodations

The accommodations request deadline is **February 19, 2018**. For students who are new to your school, are newly classified at an eligible grade level, or have a new (or changed) diagnosed disability, you can request accommodations until **March 9, 2018**. The Services for Students with Disabilities (SSD) department will prioritize the review of any additional requests submitted by this date for the reasons listed. SSD coordinators should contact the Michigan Educator Hotline for any emergency requests that may occur after March 9, 2018.

SSD Coordinators should continue to monitor the status of accommodation requests in the SSD Dashboard to be sure students are only provided accommodations that are approved for their use.

The College Board will “ship to pending,” which means that we will send accommodated materials for all students in the **pending approval** status in the chance that an approval is made before test day. Receipt of materials does **not** mean the accommodation was approved; please check the SSD Dashboard to ensure that the accommodation was approved before using the accommodated materials.

Pre-ID Labels

The deadline to receive pre-printed Pre-ID labels passed on February 13, 2018. For students pre-identified after February 13, 2018, schools will need to locally print Pre-ID labels for each student to be placed on the student’s answer sheet. Pre-ID labels are required on each answer sheet for students taking the PSAT 8/9 for 9th grade, PSAT 10, and SAT with Essay.

Test Material Orders

Schools do not need to order test materials. The number and type of test materials that are sent to schools is determined by the number of students pre-identified in the Secure Site by February 13, cross-referenced with the accommodation requests in SSD Online. Schools that need additional standard materials can order them in the Secure Site during the additional material order window in March. More information about this window will be available closer to when it opens.

Recently Asked Questions . . .

When will we have access to eDIRECT to manage the M-STEP, MI-Access, and Early Literacy and Mathematics test sessions?

eDIRECT will be available for online test administration tasks beginning March 9, 2018.

Is the Early Literacy and Mathematics Benchmark Assessment (K-2) required?

The Michigan Department of Education (MDE) is providing updated guidance to districts related to the assessments given in the earliest grades – kindergarten, first, second, and third.

Beginning in 2017-2018, the third-grade reading law requires that students in grades K, 1, 2, and 3 be given an English Language Arts (ELA) assessment within the first 30 days of school. The assessment must be from the MDE-approved list of initial assessments and should be administered three times a year to assure students are on target to pass the third-grade summative assessment (M-STEP). The Michigan Early

Literacy and Mathematics Benchmark Assessments are provided at no cost and are on the approved list of initial assessments. Students who display a deficiency will need to be given an extensive assessment from the list of MDE-approved extensive assessments. These assessments provide a more in-depth look at student ability and will produce support for the placement of students into intervention tiers.

For 2017-2018, district/schools can choose to administer any assessment from the MDE-approved list of initial assessment and the ELA benchmark requirement for students in grades K, 1, and 2 will be fulfilled.

Districts should continue to administer benchmark assessments in mathematics to students in grades K, 1, and 2. MDE provides the Michigan Early Literacy and Mathematics Benchmark Assessments in the fall and the spring, or districts may choose to use a different benchmark assessment tool for mathematics. If a district chooses to administer a benchmark assessment other than the MDE-developed Michigan Early Mathematics Benchmark Assessment, it is the district's responsibility to ensure their selected benchmark assessment meets both the definition and criteria of benchmark assessments set by MDE.

Additional details are provided in the [Updated Guidance on Early Literacy and Mathematics Benchmark Assessments](#).

The guidance document, as well as additional information regarding Early Literacy and required assessments can be found on the [Early Literacy and Mathematics Benchmark Assessments web page](#) (www.michigan.gov/earlylitandmath).
