**Read by Grade Three Retention Guidelines**

In 2016, the Michigan legislature passed what is now referred to as the “Read by Grade 3” (RBG3) legislation. The Michigan Department of Education has issued a memo about the Read by Grade Three [Cut Scores](http://www.michigan.gov/documents/mde/RBG3_Retention_Guidelines_655260_7.pdf).

**Return of Paper/Pencil M-STEP Materials Approaching Deadline**

The deadline for returning all M-STEP paper/pencil materials without penalty is **Wednesday, May 22, 2019**. Detailed instructions for how to process and return test materials begin on page 55 of the [Spring 2019 M-STEP Test Administration Manual](www.michigan.gov/mstep), which is located on the [M-STEP web page](www.michigan.gov/mstep) in the [Current Assessment Administration](www.michigan.gov/oeeaa-secure) section.

**WIDA ACCESS and WIDA Alternate ACCESS for ELLs Accountable Students and Answer Documents Received**

Accountability and assessment reporting for the WIDA ACCESS and WIDA Alternate Access will be based on the enrollment and student demographics in the Michigan Student Data System (MSDS) on **May 23, 2019 at 5:00 PM**. Schools can verify their enrollment and student demographics from MSDS on the [Accountable Students Enrolled and Demographics](www.michigan.gov/oeeaa-secure) page of the [OEAA Secure Site](www.michigan.gov/oeeaa-secure).

The OEAA will use the fall and spring MSDS general collections (student count days) and student record maintenance (SRM) files with an “as of” date on or before **March 22, 2019**.

(Continued on next page)
This is the last opportunity to update MSDS for assessment and accountability reporting for the WIDA ACCESS and WIDA Alternate ACCESS for ELLs. Student enrollment and demographics cannot be changed or appealed after May 23, 2019.

**2019 MI-Access Returns for FI ELA: Expressing Ideas**

The Functional Independence (FI) Expressing Ideas (EI) assessment is administered exclusively as a paper/pencil test, which requires a manual scoring process. With the extension of this year's testing window, our window of time to get test results back to schools is shortened. For this reason, we are requesting schools return EI assessments as soon as possible.

It is not necessary to hold on to all completed MI-Access FI Expressing Ideas answer documents until the end of the testing window (May 31) while you are waiting for students to complete other tests or while waiting for students to complete other content areas being tested online. To facilitate an early return:

- Use one of the return FedEx air bills in your MI-Access return kit to return all completed Expressing Ideas answer documents before the remainder of the other content areas and other secure materials
- Order additional airbills in the [OEAA Secure Site](www.michigan.gov/oeaa-secure) from the [Additional Material Order](#) page as an ancillary material.

The early return of the EI answer documents will be helpful to the scoring process and will allow us to return student score data back to you in a timely fashion.
MI-Access Testing Window Closing and Material Returns

The MI-Access testing window closes on **Friday, May 31, 2019**.

**Paper/Pencil:**
- All testing must be administered by the end of the school day **Friday, May 31, 2019**.
- Material return instructions are listed in both Test Administration Manuals found on the **Current Administration** section of the [MI-Access web page](www.michigan.gov/mi-access). All testing materials (FI, SI, and P) must be shipped by **June 4, 2019** to avoid possible late fees.
- Schools have been provided return kits with their materials to facilitate direct returns. Check your inventory now to ensure you have the needed return materials.
- **Important Return Note:** For students assessed with Functional Independence (FI) ELA: Expressing Ideas (EI) we recommend returning these as soon as possible to allow adequate time for the manual process of scoring the student responses. It is not necessary to hold onto these tests for all other testing to be completed. The early return of the EI tests will help facilitate the timely processing of data for final reports.

**Online – Functional Independence (FI):**
- **Reminder:** Students taking FI ELA: Accessing Print and Using Language online must also complete the FI ELA: Expressing Ideas assessment, which is exclusively a paper/pencil assessment.
- All online testing must be completed and submitted by **4:00 PM on May 31, 2019**.
- DRC will mark all “In Progress” tests as complete and send them for scoring after 4:00 PM on May 31, 2019.
- Schools must clear the Testing Site Manager (TSM) once all testing is completed. For details on how to perform this task, see the [Technology User Guide](https://mi.drcedirect.com) available on eDIRECT (https://mi.drcedirect.com) under All Applications → General Directions → Documents. Select District Technology Coordinator under the Audience drop-down menu.

**Supported Independence (SI) and Participation (P):**
Friday, May 31, 2019 at 4:00 PM is the last day to administer any MI-Access assessment and to enter all Supported Independence and Participation scores.

**Here are some important items to remember for MI-Access P/SI assessments:**
- All P/SI student scores must be entered in online answer documents by **May 31, 2019 at 4:00 PM**.
- The link to the [P/SI Score Entry](https://mi.drcedirect.com) may be accessed:
  - on the MI-Access web page (www.michigan.gov/mi-access) under the **Current Assessment Administration** section
  - in the Participation and Supported Independence Test Administration Manual
  - on the Welcome Page of eDIRECT (https://mi.drcedirect.com)

**Student Suspension and Expulsion Data Coming Soon to Parent Dashboard**

A new graph will be added to the Parent Dashboard in the coming weeks. The graph will show the number of students suspended or expelled for a selected school, similar schools, and the state. Schools will have a chance to view this information during a two-week preview period before it is made public.

(Continued on next page)
Graph Details:

- Numbers reflect the number of unique students suspended or expelled – students are only counted once in the metric, regardless of the number of discipline incidences they may have.
- Both in-school and out-of-school suspension types are included along with expulsions.
- The state average reflects all charter and traditional schools, including those which reported zero suspensions and expulsions.

When the preview window opens, users with MI School Data accounts may access this information by logging in to MI School Data (www.mischooldata.org) and navigating to the Parent Dashboard.

Once on a school’s dashboard, click on Student Data, Behavior, and then Suspension and Expulsion in the left-hand menu.

The Center for Educational Performance and Information (CEPI) and the Michigan Department of Education (MDE) will soon announce more details regarding the preview window.

SSD Emails about MP3 Streaming and School Testing Calendar

Services for Students with Disabilities (SSD) coordinators may have received a recent email regarding the change of MP3 audio accommodations from physical flash drives to a streaming application. No action is required at this time for Spring 2020 testing. More information will be available this fall for Spring 2020 testing.

In a few weeks, SSD coordinators may also receive an email from the SSD department with end-of-the-year reminders, including updating your school’s testing calendar. Although the Michigan Department of Education (MDE) is providing the SAT to your students on a school day, some students may also choose to register for a national administration of the SAT at their own expense. For national testing, most students will test in a weekend test center. These test centers are normally housed in high schools or colleges that applied to the College Board and were approved for weekend testing. Many accommodations, including extra breaks, use of a calculator, and more, can be provided in a weekend test center. However, students who have certain accommodations, such as 100% extended time, MP3 audio, assistive technology–compatible (ATC), braille, or large font greater than 20 point, will test in their school due to their special testing needs. This is referred to as “school-based testing.” This means your school, even if you have not signed up to be a national test center, may have students looking to test there. The primary SSD coordinator of a school serves as the contact for the College Board and students who require school-based testing.

To support this process, we ask that each primary SSD coordinator fill out their SSD School Testing Calendar online, which is accessible on the SSD Online Dashboard (https://accommodations.collegeboard.org/ssl-online). It allows you to notify us if there are administrations for which you will not be able to provide school-based testing for students. Therefore, the testing calendar in SSD Online is for SAT only. For schools only testing PSAT, this can be updated, but note it is not related to state testing in anyway.

The decision to support this administration is completely at the discretion of the school. Neither the College Board nor the MDE requires you to participate, nor does it have an impact on the state-provided spring testing. To see the students at your school who have registered for a national administration, the SSD coordinator can log in to the SSD Online system. If you decide not to support the national testing for your students who need it, College Board will work with students directly to find another available school in the area.
