Aggregation Schema for Fall 2021 Benchmarks

The aggregation schema for reporting the aggregated Fall 2021 benchmark results will be available by the close of business Tuesday, September 28, on the [MDE Benchmark Assessment web page](https://www.michigan.gov/mde/0,4615,7-140-22709_102327--,00.html) (https://www.michigan.gov/mde/0,4615,7-140-22709_102327--,00.html); this is available for districts that plan to aggregate their own results. Districts also have the option of using the [Michigan Data Hub](https://www.midatahub.org) (<https://www.midatahub.org>) to submit benchmark results using last spring's process and having the Michigan Department of Education's research partners perform the aggregation.

The Office of Educational Assessment and Accountability is developing on a Fact Sheet/FAQ document that will provide additional information. We hope to have that document available by the end of next week.

MiLearn is a free service provided by the Michigan Department of Education to local school districts. It allows parents, students, and educators to view state assessment results online through the district's SIS.

Your school can take advantage of this service if your district utilizes the Michigan Data Hub and the school uses one of the following Student Information Systems: PowerSchool, MISTAR-Q, Skyward, Synergy, or Infinite Campus.

More information about MiLearn can be found in the Welcome to [MiLearn document](https://www.midatahub.org/downloads/data_integration/welcome_to_milearn_v.14.pdf) (https://www.midatahub.org/downloads/data_integration/welcome_to_milearn_v.14.pdf) on the [Michigan Data Hub website](#).

Managing Your District's WIDA Secure Portal Accounts

The District English Learner (EL) Assessment Coordinator is able to do the following in the WIDA Secure Portal. These activities should be done on a regular basis to effectively manage users in the site.

- Create accounts for new educators who will be test administrators
- Deactivate accounts of educators who are no longer in the district or are no longer involved in WIDA test administration
- Review and monitor required WIDA assessment certifications

For additional help on how to keep up with these activities, look for directions when you are logged into your WIDA Secure Portal account. Go to the 'Get Help' link in the top left-hand corner of the page. If you need additional help, contact the WIDA Client Services Center by phone at 866-276-7735 or by email at help@wida.us.

WIDA ACCESS Checklists Available

The Spring 2022 WIDAACCESS for ELLs Online and Paper Checklists are now available at www.michigan.gov/wida. These checklists are must-have resources for EL Assessment Coordinators, Test Administrators, and Technology Coordinators. They include all the required steps to prepare for, administer, and conduct post-testing assessment activities.

Accessing Previous WIDA Test Scores

All WIDA assessment scores for students can be accessed through the Office of Educational Assessment and Accountability (OEAA) Secure Site if the school has been identified as a student's Primary Educational Providing Entity (PEPE) in the Michigan Student Data System (MSDS). Pupil accounting staff do not need to wait until a MSDS General Collection (count day) to identify the school as the student's PEPE; they can submit a Student Record Maintenance File (SRM) at any time. More information can be found in the [Accessing New Student's State Assessment Scores document](#) on the [Secure Site Training Page](#) (https://www.michigan.gov/mde/0,4615,7-140-22709_57003---,00.html).

Off-Site Requests Now Open for W-APT and WIDA Screener

If your school or district is planning to administer the Kindergarten W-APT and/or the WIDA Screener assessments at off-site locations, you must complete an Off-Site Test Administration Request(s) through the Office of Educational Assessment and Accountability (OEAA).

The link to be followed to complete requests is found on the [WIDA web page](#) (www.michigan.gov/wida).

WHAT'S NEW

Fall Testing Manuals Now Available

Fall 2021 Testing Manuals are posted on the Michigan Department of Education's [MME web page](http://www.michigan.gov/mme) (www.michigan.gov/mme) and on the [PSAT web page](http://www.michigan.gov/psat) (www.michigan.gov/psat).

Test coordinators must read the manuals carefully, as testing policies in the fall and spring (for state accountability testing) are different, especially with regard to testing students with accommodations. We highly recommend coordinators take the online training courses for each assessment; the training can be accessed at www.collegeboard.org/ptat.

Note: Completion of training for Fall 2021 testing does not count towards training for Spring 2022 testing.

REMINDERS

Ensure that students are administered the appropriate Fall 2021 assessment. Students in Grade 9 must only take the PSAT 8/9; those in Grades 10 and 11 must take the PSAT/NMSQT; and Grade 12 students must take the SAT for the administration to be paid for by the Michigan Department of Education. Fifth-year seniors are not eligible to test in Fall 2021.

Test Book Material Delivery

- Test books for the October 13 SAT administration will be delivered October 7-11.
- Test books for the October 13 PSAT/NMSQT administration will be delivered October 4-6.
