FROM: Michael F. Rice, Ph.D., State Superintendent 

SUBJECT: Template for Continuity of Learning and COVID-19 Plans

Pursuant to Governor Whitmer's Executive Order 2020-35, issued yesterday, please find a link below to the template for local school districts and public school academies to develop their continuity of learning and COVID-19 response plans.

This template was developed in collaboration with the governor's office, Michigan Association of Intermediate School Administrators, and the Michigan Council of Charter School Authorizers.

Submissions of plans must go to the intermediate school districts for local education agencies and to charter school authorizers for public school academies. Service under these plans needs to begin no later than April 28.

Questions can be directed to the appropriate intermediate school district or public school academy authorizer, or to the relevant office within the Michigan Department of Education.

Thank you for your continued service to our children under these extraordinarily challenging circumstances.
