The Great Garden Detective Adventure Now Available

Request a print copy for your school today!

Team Nutrition invites 3rd and 4th grade students to discover what fruits and vegetables are sweetest, crunchiest, and juiciest through a series of investigations and fun educational experiences.

The Great Garden Detective Adventure is an 11-lesson curriculum that includes:

- bulletin board materials to track plant growth,

- veggie dice to help students learn the vegetable subgroups,
- fruit and vegetable flash cards for classroom activities,
- photographs of mature plants- to assist with identification of plants ready for harvesting,
- and 10 issues of Garden Detective News for parents/caregivers (*the curriculum comes with packs of 35 of each newsletter; additional newsletters can also be ordered*).

Ordering Information:

Elementary schools participating in the Federal Child Nutrition programs may request the curriculum at: <http://tn.ntis.gov/>. There is a limit of 1 curriculum per order; requests for more than 1 copy (e.g., for multiple classrooms implementing the curriculum at the same time) should be sent to teamnutrition@fns.usda.gov.
