1. Supplemental Educational Services

In the case of any school described in paragraph (5), (7), or (8) of subsection (b), the local educational agency serving such school shall, subject to this subsection, arrange for the provision of supplemental educational services to eligible children in the school from a provider with a demonstrated record of effectiveness, that is selected by the parents and approved for that purpose by the State educational agency in accordance with reasonable criteria, consistent with paragraph (5), that the State educational agency shall adopt.

2. Local Educational Agency Responsibilities

Each local educational agency subject to this subsection shall:

- A.** provide, at a minimum, annual notice to parents (in an understandable and uniform format and, to the extent practicable, in a language the parents can understand) of:
 - (i)** the availability of services under this subsection;
 - (ii)** the identity of approved providers of those services that are within the local educational agency or whose services are reasonably available in neighboring local educational agencies; and
 - (iii)** a brief description of the services, qualifications, and demonstrated effectiveness of each such provider;
- B.** if requested, assist parents in choosing a provider from the list of approved providers maintained by the State;
- C.** apply fair and equitable procedures for serving students if the number of spaces at approved providers is not sufficient to serve all students; and
- D.** not disclose to the public the identity of any student who is eligible for, or receiving, supplemental educational services under this subsection without the written permission of the parents of the student.

3. Agreement

In the case of the selection of an approved provider by a parent, the local educational agency shall enter into an agreement with such provider. Such agreement shall:

- A.** require the local educational agency to develop, in consultation with parents (and the provider chosen by the parents), a statement of specific achievement goals for the student, how the student's progress will be measured, and a timetable for improving achievement that, in the case of a student with disabilities, is consistent with the student's individualized education program under section 614(d) of the Individuals with Disabilities Education Act;
- B.** describe how the student's parents and the student's teacher or teachers will be regularly informed of the student's progress;
- C.** provide for the termination of such agreement if the provider is unable to meet such goals and timetables;

- D.** contain provisions with respect to the making of payments to the provider by the local educational agency; and
- E.** prohibit the provider from disclosing to the public the identity of any student eligible for, or receiving, supplemental educational services under this subsection without the written permission of the parents of such student.

4. State Educational Agency Responsibilities

A State educational agency shall:

- A.** in consultation with local educational agencies, parents, teachers, and other interested members of the public, promote maximum participation by providers to ensure, to the extent practicable, that parents have as many choices as possible;
- B.** develop and apply objective criteria, consistent with paragraph (5), to potential providers that are based on a demonstrated record of effectiveness in increasing the academic proficiency of students in subjects relevant to meeting the State academic content and student achievement standards adopted under section 1111(b)(1);
- C.** maintain an updated list of approved providers across the State, by school district, from which parents may select;
- D.** develop, implement, and publicly report on standards and techniques for monitoring the quality and effectiveness of the services offered by approved providers under this subsection, and for withdrawing approval from providers that fail, for 2 consecutive years, to contribute to increasing the academic proficiency of students served under this subsection as described in subparagraph (B); and
- E.** provide annual notice to potential providers of supplemental educational services of the opportunity to provide services under this subsection and of the applicable procedures for obtaining approval from the State educational agency to be an approved provider of those services.

5. Criteria for Providers

In order for a provider to be included on the State list under paragraph (4)(C), a provider shall agree to carry out the following:

- A.** Provide parents of children receiving supplemental educational services under this subsection and the appropriate local educational agency with information on the progress of the children in increasing achievement, in a format and, to the extent practicable, a language that such parents can understand.
- B.** Ensure that instruction provided and content used by the provider are consistent with the instruction provided and content used by the local educational agency and State, and are aligned with State student academic achievement standards.
- C.** Meet all applicable Federal, State, and local health, safety, and civil rights laws.
- D.** Ensure that all instruction and content under this subsection are secular, neutral, and nonideological.

6. Amounts for Supplemental Educational Services

The amount that a local educational agency shall make available for supplemental educational services for each child receiving those services under this subsection shall be the lesser of:

- A.** the amount of the agency's allocation under subpart 2, divided by the number of children from families below the poverty level counted under section 1124(c)(1)(A); or
- B.** the actual costs of the supplemental educational services received by the child.

7. Funds Provided by State Educational Agency

Each State educational agency may use funds that the agency reserves under this part, and part A of title V, to assist local educational agencies that do not have sufficient funds to provide services under this subsection for all eligible students requesting such services.

8. Duration

The local educational agency shall continue to provide supplemental educational services to a child receiving such services under this subsection until the end of the school year in which such services were first received.

9. Prohibition

Nothing contained in this subsection shall permit the making of any payment for religious worship or instruction.

10. Waiver

A. REQUIREMENT

At the request of a local educational agency, a State educational agency may waive, in whole or in part, the requirement of this subsection to provide supplemental educational services if the State educational agency determines that:

- (i)** none of the providers of those services on the list approved by the State educational agency under paragraph (4)(C) makes those services available in the area served by the local educational agency or within a reasonable distance of that area; and
- (ii)** the local educational agency provides evidence that it is not able to provide those services.

B. NOTIFICATION

The State educational agency shall notify the local educational agency, within 30 days of receiving the local educational agency's request for a waiver under subparagraph (A), whether the request is approved or disapproved and, if disapproved, the reasons for the disapproval, in writing.

11. Special Rule

If State law prohibits a State educational agency from carrying out one or more of its responsibilities under paragraph (4) with respect to those who provide, or seek approval to provide, supplemental educational services, each local educational agency in the State shall carry out those responsibilities with respect to its students who are eligible for those services.
