SUBJECT: Waivers for the Supplemental Pupil Membership Counts Held on  
Wednesday, February 10, 2010, Due to Inclement Weather Conditions

The state Department of Management and Budget has notified MDE that a winter storm warning or watch is in effect from Tuesday, February 9, 2010 through Wednesday, February 10, 2010. Wednesday, February 10, 2010, is the Supplemental Count Date for the 2009-2010 school year. Section 6(6)a, of the State School Aid Act, reads as follows: "Except as otherwise provided in this act, in addition to the pupil membership count day, there shall be a supplemental pupil count of the number of full-time equated pupils in grades K-12 actually enrolled and in regular daily attendance in a district or intermediate district on the second Wednesday in February or, for a district that is not in session on that day due to conditions not within the control of school authorities, with the approval of the superintendent, the immediately following day on which the district is in session. For the purposes of this act, the day on which the supplemental pupil count is conducted is the supplemental count day." The purpose of this memorandum is to grant a waiver for those districts that experienced the situation described above to use the immediately following day after February 10, 2010 which the district is in session as the alternative supplemental count day for those buildings that are not in session on Wednesday, February 10, 2010.
