Where are my SCECHs?

On December 8, 2015, the Michigan Department of Education moved all State Board Continuing Education Units (SB-CEUs) and State Continuing Education Clock Hours (SCECHs) from the Secure Central Registry (SCR) into the Michigan Online Educator Certification System (MOECS).

The SCR used an educator’s email to connect a person’s SB-CEUs/SCECHs to his/her account, but the MOECS system uses a Personal Identification Code (PIC) number to ensure educator identity. The PIC number is a unique number assigned to all educators who have a certificate or license issued by the Michigan Department of Education (MDE), Office of Professional Preparation Services. Prior to the switch-over date of December 8, 2015, we asked all educators with an account in the SCR to make sure their PIC numbers matched information shown in their MOECS account.

We have found instances where an educator either did not place his/her PIC number on the SCR account, put an incorrect PIC number on the SCR account, or had more than one SCR account. Since the merge, we have been adding and correcting information in the SCR to allow educator’s SCECHs to move into their MOECS accounts.

As a result, if you have SCECHs you believe are missing from your MOECS account, please send an email to SCECH@michigan.gov. We will need all email addresses and names you may have used through the past six years to make sure we locate all your records. MDE staff will search the SCR for your records and let you know what was located.

SCECHs are located in MOECS on the individual’s account after logging in at: https://mdoe.state.mi.us/MOECS/Login.aspx. Confirm your personal information, select “View Professional Learning” from the menu list on the left side of your screen, then select “SCECH” tab.
