

Actionable Items for Board Members:

- Personally identify three students each year and talk with them about their college and career aspirations.
- Highlight at two board meetings one teacher or administrator activity that has proven to effectively improve communications with parents in your schools.
- Ask school administrators and teachers to include parents when presenting at Board meetings about school-related matters.
- Publicly recognize one parent support group (booster club) at a board meeting for contributions to academic improvements.
- Remove language barriers at Board meeting by providing interpreters whenever applicable.
