

## **Actionable Items for Elementary Parents:**

- Communicate frequently with your child's teacher by sharing your child's strengths and needs, asking about your child's progress in school and seeking ideas on what you can do to assist in ensuring his/her success.
- Each day, ask your child to share with you three things s/he learned in school.
- Read to, or with, your child every day in English or their native language since literacy skills are essential to later success both in school and career.
- Share your skills and talents with your child's teacher and discuss ways to share them with the school community.
