## **IMPORTANT NOTICE ON MME TEST ADMINISTRATION MANUAL - March 6, 2014**

A page notation error has been found in the Day 3 Administration Manual for Standard Time Testing. We felt it was important to bring this to your attention.

The Verbal Instructions for Administering Michigan Social Studies (Day 3, Section C) the first paragraph read to students should say:

[SAY] Open your Answer Document to page 3. Find Section C, Michigan Social Studies. You may use your pencil to help break the seal if needed... Turn to page **C-1** and read the directions silently as I read them aloud.

Currently readers are directed to page K-6. All directions in the Student Test Booklets are correct.
