

Student, school, and district PDF reports for the Spring 2013 MI-Access (Grade 11) assessments are now available on the BAA Secure Site (www.michigan.gov/baa-secure) for downloading by schools and districts.

If you have a User ID and Password for the BAA Secure Site, you may access your PDF reports by selecting "Student Test Scores" from the menu at the left and then selecting the appropriate test cycle. If you do not have Secure Site access, please contact your district assessment coordinator for assistance.

These reports are provided as a courtesy in advance of the release of statewide data to the public and news media to allow you time to examine your school and district results. A date for the public release of this information will be scheduled by the Michigan Department of Education (MDE) in the near future. You will be notified of the date and will be able to access state results prior to the release.

Until the public release, reports and data may be used for internal planning and professional development only. Also, as soon as hard copies are received, schools should ensure Parent Reports are disseminated to parents and guardians as quickly as possible. Individual student results are never embargoed – only school, district, and state aggregate results.

RELEASE OF RESULTS BY SCHOOLS AND/OR DISTRICTS IN ADVANCE OF THE PUBLIC RELEASE DATE MAY JEOPARDIZE THIS ADVANCE POSTING OF REPORTS IN THE FUTURE.

If you have questions regarding the reports or data files, please send an email to BAA@michigan.gov or call 877-560-8378, and select option 2.
