Fri 6/10/2016 5:12 PM

Hello Colleagues,

I'm pleased to share that CSHCS efforts around health equity will be featured in an upcoming national webinar. The [Catalyst Center](#) (the national center for health insurance and financing for children and youth with special health care needs) is hosting a webinar on June 20<sup>th</sup> entitled "Addressing Health Coverage Inequities among CSHCN in Your State." The Catalyst Center has created [Health Care Coverage and Financing for Children with Special Health Care Needs: A Tutorial to Address Inequities](#) to help Maternal and Child Health (MCH) leaders, family leaders, and other stakeholders understand and address health care coverage inequities that exist among vulnerable subgroups of CSHCN. Brenda Jegede and I are on the presentation panel and will discuss the implementation of the Practices to Reduce Infant Mortality through Equity (PRIME) Initiative within MDHHS and CSHCS.
