Initiative Announcements

Welcome

Welcome to the 2017 Patient Centered Medical Home Initiative, and the eighth release of our monthly newsletter. Each month we will bring together all the updates, news and upcoming events relevant to PCMH Initiative Participants. Additionally, we will provide updates on other happenings across the State Innovation Model.

You will continue to receive other regular communications and event reminders from the PCMH Initiative. This newsletter has been developed as a method to share information in one common location.

Registration Now Open: 2017 Regional Summits

Registration for the 2017 Regional Summits: Taking Michigan Forward with Team-Based Care is now open! Each regional summit location will offer the same agenda to facilitate collaboration and shared learning focused on team-based care in the primary care setting. Together physicians, practice team members, Physician Organization leaders, and partners will address clinical and office operations aimed at meeting the diverse needs of the patient population in Michigan. Practice teams will have the opportunity to receive credit towards their 2017 Practice Learning Activity Requirement, Care Managers and Coordinators will have the ability to claim hours towards the Care Management Learning Requirement, and there will be CMEs, IACET, and Social Work CE contact hours available. These events have been designed to support practice care teams in developing skills beneficial to effectively and efficiently work together; therefore participants on a practice team are encouraged to register and participate together. See the [informational flyer](#) or visit the SIM PCMH Summit page at <http://www.michigan.gov/simpcmhsummit> for more details on these events.

Contact Hours:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Michigan State Medical Society (MSMS) through the joint providership of Practice Transformation Institute and Michigan Department of Health and Human Services. Practice Transformation Institute is accredited by the MSMS to provide continuing medical education for physicians.

Practice Transformation Institute designates this live activity for a maximum of (6) *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Practice Transformation Institute is accredited by the International Association for Continuing Education and Training (IACET) and is authorized to issue the IACET CEU. Practice Transformation Institute is authorized by IACET to offer 0.6 CEUs for this program.

This activity provides 6 Social Work Continuing Education Contact Hours. “Michigan Care Management Resource Center is an approved provider with the Michigan Social Work Continuing Education Collaborative”. Approved Provider Number: MICEC 1102160

ABOUT THE INITIATIVE

The Patient Centered Medical Home (PCMH) Initiative is a core component of the State Innovation Model (SIM) strategy for coordinated care delivery, focusing on the development and testing of multi-payer health care payment and service delivery models in order to achieve better care coordination, lower costs, and improved health outcomes for Michiganders. For more information and resources, check out our [webpage](#).

Community Health Worker Certificate Programs

The Michigan Community Health Workers Alliance (MiCHWA) has announced upcoming CHW training opportunities starting in October 2017. Individuals who successfully complete the training program will receive a MiCHWA Certificate of Completion. The training locations, dates, and registration information can be found on the MiCHWA site by following [this link](#).

Community Health Worker Appreciation Month

August was Community Health Worker Appreciation Month and is a time for us to think about all of the work that CHWs do to support the efforts of creating and maintaining a healthy population. Be sure to take a few moments to recognize that CHWs CARE (Collaborate, Advocate, Respond and Educate). Consider showing your appreciation by downloading the [CHW Appreciation Month Certificate Template](#) and presenting one to your valued staff.

Use Case Onboarding

As we continue to expand the capabilities of practices and POs in the state of Michigan, a focus on leveraging HIE/HIT infrastructure, and their supporting use-cases are more important than ever. Recently MiHIN hosted a webinar in order to share information and field questions for SIM PCMH Initiative participants around the onboarding process, and the use-cases that are required for participants in order to be in compliance with the Initiative. You can view a recording of the webinar by following [this link](#), and can view both PowerPoint presentations [here](#) and [here](#).

2018 PCMH Initiative Intent to Continue Participation

The SIM PCMH Initiative will be releasing an Intent to Continue Participation (ITP) aimed at understanding participants' intent to continue participation in the 2018 SIM PCMH Initiative and capture any personnel and/or infrastructure changes with regard to the SIM PCMH Initiative. The expected release date of the ITP is Wednesday, September 13, 2017 via a live webinar from 12:30-1:30pm. The ITP is REQUIRED for all POs/practices that desire to continue participation in 2018.

[Register for the September 13th webinar](#) to stay informed on the requirements to continue participation in the SIM PCMH Initiative for 2018.

Practice Transformation Collaborative: September Activities

Action Period Calls and Peer Coaching Calls are added to the Practice Transformation Collaborative calendar of events for September. For more about the Practice Transformation Collaborative and these virtual activities, see the [flyer](#) on our webpage. Links to register for these activities are located within the flyer (mentioned above), on the PCMH Initiative [webpage](#), and within the [monthly events calendar!](#)

Mi-CCSI Self-Management Training Updates

Mi-CCSI provides MiCMRC approved Self-Management Training to CMs and CCs that support the PCMH Initiative population, and this required training can be accessed at no cost!

Mi-CCSI now has the ability to offer training on a live virtual platform. If attendees have access to an external or computer integrated webcam, have a location where they will not be interrupted and commit to attend and fully participate in the live virtual training, they can attend a live session without the burden of traveling long distance or battling inclement weather. If you are interested, contact Amy Wales at 616.551.0795 Ext. 11.

Upcoming Training Dates:

October 26-27 | Grand Rapids, MI

November 30-December 1 | Grand Rapids, MI

December 13-14 | Grand Rapids, MI

For registration and details: <http://www.miccsi.org/training/upcoming-events/>

Additional dates and locations: Participants interested in a training session during October or November in the Northern, Southeast, or other regions, contact Amy Wales at amy.wales@miccsi.org or 616-551-0795 ext. 11.

Shared Resources

Patient Transportation Assistance

Medicaid Health Plans have the ability to support patients that have transportation needs. If your patients with Medicaid coverage have an identified need for transportation assistance, they can be linked to their Medicaid Health Plan (MHP) for assistance. The MHP will provide or arrange transportation to MHP covered services.

MiCMRC Approved Self-Management Support Courses and Resources

To access the list of the MiCMRC approved Self-Management Support courses, [click here](#). The list contains a detailed summary of each course, with associated objectives, location, cost and more.

Additionally, MiCMRC has collected resources for Self-Management Support including: websites of interest, publications, tools, videos, and even patient materials. MiCMRC's "Self-Management Support Tools and Resources" document offers an at-a-glance list and summary of these resources, along with descriptions and website links for quick access.
