

### 2018 Grant Recipients

Michigan Health Endowment Fund provided BETP with a grant to help structure Community Integrated Paramedicine (CIP) in Michigan. Part of the grant allows BETP to provide mini grants promoting the growth of CIP throughout Michigan. The following agencies were recipients of the 2018 mini grants which totaled over \$100,000.

Hayes Green Beach  
Huron Valley Ambulance  
Remote Specialist Visiting Provider  
Alcona EMS  
Integrity EMS  
North Central Medical Control Authority

Livingston EMS  
Community EMS  
Clinton Area Ambulance Service Authority  
Thornapple EMS  
Kalkaska EMS

### 2019 Grant Recipients

The second round of mini grants was utilized for initial CP education of providers. The following agencies were recipients of the 2019 mini grants which again totaled over \$100,000. Agencies were capped at a total of 4 personnel for initial education for both the 2018 and 2019 grant cycles combined.

Denton Township Ambulance Service  
Green Lake Township Emergency Services  
Marlette EMS  
Frederic Township Fire Department  
City of Croswell EMS  
Township Ambulance Authority

City of Charlevoix EMS  
North Flight EMS  
Alcona EMS  
UP Health System EMS (East & West)  
Sanilac Ambulance

The 2018 and 2019 mini grants will yield an additional 56 CP personnel and an additional 16 CP programs in Michigan.
