We have received feedback from trainers and peers sharing concerns about participation of individuals while attending a MDHHS sponsored peer online trainings. We are including guidelines in the registration process to ensure that the trainings are safe and peers are representing professional standards. It is expected that even though we cannot meet in person, the same guidelines will be followed on the Zoom platform. In addition to these guidelines below, please respect any additional participation requirement provided by trainers. Please review the guidelines you will be expected to follow and sign at the bottom.

Training guidelines sponsored by MDHHS include:

- Be attentive –please be active and present. Don't work on other tasks (like checking email, answering your cell phone, or talking to others) during the virtual meeting. You might miss out on key information and/ or an opportunity to give input;
- Silence your cell phone please make sure your cell phone is on silent;
- Be respectful –please raise your hand don't interrupt other people when they are speaking (or attempt to speak over them). If you want to speak, physically raise your hand or use the "raise hand" feature that is available in the participant's panel;
- Mute yourself please mute your microphone when you are not talking. This will help eliminate any feedback or background noise that can be heard in your environment;
- Please arrive on time at the beginning of the training so you can introduce yourself and fully participate;
- Please arrive on time after breaks;
- **Do not drive and zoom** This is a safety requirement. If a participant is driving, they will be removed from the training;
- Please do not smoke or use a vape;
- No swearing please;
- Have your camera ON at all times; we want people to be present and participate as we would in a face-to-face training;
- Please attend all sessions or entire training whichever applies; and
- Be yourself and have fun!

By signing this I understand and agree to follow these guidelines during all MDHHS sponsored trainings I attend.
