Date: Friday, January 22, 2021 10:47:00 AM

Dear Vendor,

To assist the WIC Program with the EBT transition from Conduent to FIS/CDP, we are asking Vendors to **complete a survey** to identify the point-of-sale systems and third-party processors Vendors are currently using to transact WIC. This information will help us ensure you continue to provide valuable services to WIC customers when we transition to our new EBT processor.

If you haven't already, please use the link below to complete this important survey:

If you have any questions, please email us at MDHHS-WICVendor@michigan.gov. Thank you in advance!
