

COMPUTED TOMOGRAPHY (CT) SCANNER SERVICES

WORKGROUP CHARGE

**Approved by the Certificate of Need (CON) Commission Chairperson as
Delegated by the CON Commission on March 21, 2019**

The CT Workgroup is charged to review and recommend any necessary changes to the CT CON Standards regarding the following:

- Determine if 24-hour freestanding emergency departments should be exempt from meeting the maintenance volume for its first CT scanner.
- Review the definition and requirements for dedicated pediatric CT scanners.
- Review the maintenance volume requirements.
- Consider any other technical changes from the Department, e.g., updates or modifications consistent with other CON review standards and the Michigan Public Health Code.

In its deliberations, the workgroup shall consider and report on how the recommendation addresses healthcare cost, quality and/or access in Michigan.
