

# CAHC Continuation of Funding

MDHHS has developed an objective process that can be applied consistently across CAHCs for evaluating the various aspects of CAHC performance, to assure the right model is in the right place and that CAHC funding is maximized at each location.

## User & Visit Data

- Full points for 500+ users (full) or 200+ users (alternative)
- **User score is scaled**
- Full points if 2+ visits/user
- 0 Points if <2 visits/user

### STEP 01

### STEP 02

## Report Card Score

Key metrics are awarded 1 point each if the state median for all CAHCs is met or exceeded

## Provider Vacancy

Impact of long-term provider absence and temp coverage, if any, assessed

### STEP 03

### STEP 04

## Other Factors
