This version replaces prior versions of CI 20-052.

The Redaction and Expungement Units will continue to process requests in which the records to be redacted are available in MiSACWIS. However, given restrictions currently in place as a result of COVID-19, the Redaction Unit is unable to process requests in which the record is not available in MISACWIS.

For urgent expungement requests, such as those that are needed to enable a placement, the Expunction Unit will make every effort to assist the county offices but has limited ability to access documents stored in SWSS.
