We are recruiting 4-7 Adult Siblings who have a brother or sister with special needs. One of the best ways to learn about sibling issues is to listen to the “real experts.” The Adult Sibling Panel will take place on Friday, May 4, 2018 from 1:00 pm – 2:30 pm as part of the Sibshop. During this workshop, Don Meyer will moderate a panel who will discuss life with siblings who have special needs. Along the way, panelists will offer suggestions to parents and providers. If you would like to be on the Adult Sibling Panel, please register here: <https://www.eventbrite.com/e/michigan-introduction-to-sibshops-and-sibshop-facilitator-training-tickets-43413130843>

Unique Concerns. Unique Opportunities.

This core workshop uses an interactive, large-group discussion format to help participants learn about the concerns and opportunities frequently experienced by siblings of people with special needs. During this workshop, participants learn what researchers, clinicians and siblings themselves say about growing up with siblings who have special needs. Implications for parents and service providers will be discussed throughout the workshop.

“I really felt connected...hearing other adult sibs talk about the same things I experienced...it was better than going to Disneyland!”

“I loved it all – the group participation and discussion. Don’s facilitation was excellent!”

“The workshop was great for people from all types of backgrounds.”
