## Family Center for Children and Youth with Special Health Care Needs

## **Parent Connect Call**

Conversations with parents of children with special needs!

## Attention Deficit Hyperactivity Disorder (ADHD)

During this call, we will be discussing some ideas and resources to help your child thrive in school and at home.

\*We are not mental health professionals. We are parents of children with special health care needs. Our role is to help facilitate a discussion on the topic of sensory processing disorder and virtual learning. Our purpose is to share experiences and provide additional tools and resources.
