Dear Colleagues:

This notification is to remind you that COVID -19 testing is covered for CSHCS Title V only clients. As with all other laboratory testing, the test must be ordered by the client’s CSHCS authorized sub-specialist to be covered by CSHCS. Lab tests ordered by a primary care will not be covered. Please note, there are COVID-19 testing sites throughout Michigan, many that are free and do not require a physician’s order if the CSHCS client is sick or has COVID-19 symptoms. A list of the sites can be found on the State of Michigan COVID-19 website at: <https://www.michigan.gov/coronavirus>.
