

Family Center for Children and Youth with Special Health Care Needs

## Parent Connect Call

Conversations with parents of children with special needs!

## Special Education Mediation Services

Special Education Mediation Services is a statewide program that provides help navigating special education supports and services for children, families, and schools, ages birth through 26.

Navigating special education requires a solid team. Plans and personalities can be complex and sometimes contradictory. This presentation will frame the special education process and describe how Special Education Mediation Services support family and school collaboration.

Special Education Mediation Services (SEMS) is an Individuals with Disabilities Education Act (IDEA) Grant Funded Initiative through the Michigan Department of Education, Office of Special Education.
