

Navigating Healthcare for Parents of Children with Epilepsy

Free to attend, registration required.
Choose one of two 2-day sessions:

Session 1

August 11 & 13, 2021 9:30am-12:30pm

Register here → <https://j.mp/3y7Hv11>

or

Session 2

September 14 & 15, 2021 9:30am-12:30pm

Register here → <https://j.mp/3hBxLWr>

This medical advocacy training was created to provide parents with the information, tools, and resources needed to navigate healthcare systems with a child with epilepsy or seizures.

Space is limited, reserve your spot early to receive your participation packet in time!

AN
INTERACTIVE
VIRTUAL
LEARNING
OPPORTUNITY

Training will be held via Microsoft Teams (similar to Zoom)

Criteria to Attend:

- Must be a parent (bio, adoptive, foster, step, etc.) of a child birth to 18 with epilepsy or seizure disorder
- Must attend both days
- Need computer or tablet with internet connection (with camera preferred)

Upon completion of both days, receive \$100 gift card
