SUBGRANTEE DATA REPORT

I. POPULATION DEMOGRAPHICS

This section is to be completed each reporting period.

Source of data: Activities conducted at the subgrantee level

1. TOTAL number of individuals who received services during the reporting period

INSTRUCTIONS: *Count all individuals served by your organization with the use of VOCA plus match funds during the reporting period. This number should be an unduplicated count of people served during a single reporting period, regardless of the number of services they received or victimization types with which they presented.*

Some organizations may be unable to track clients over time due to organizational capacity issues, legal restrictions (e.g., confidentiality laws that limit record-keeping), or the nature of the services they provide (e.g., an anonymous hotline). If you know that your agency is NOT able to provide a unique count of individuals served within the reporting period, report the number of individuals served to the best of your knowledge AND check the box to indicate that this number may count some individuals more than once.

Number

- The total number includes individuals who may have been counted more than once during the reporting period.

2. Is your agency able to track individuals throughout the Federal fiscal year?

INSTRUCTIONS: *Answer "yes" to this question if, during each quarter and from one quarter to the next throughout the Federal fiscal year, you will be able to identify individuals as either new or continuing since Quarter 1.*

- A. Yes (proceed to Question 4)
- B. No

3. Is your agency able to identify "new" individuals who did not receive services from your agency during the previous reporting period?

INSTRUCTIONS: *Answer "yes" to this question if your organization is able to track clients from one reporting period to the next, even though you cannot track clients from the beginning to the end of the Federal fiscal year.*

- A. Yes
- B. No, Not Tracked (proceed to Question 6)

"Not Tracked" means that your organization is unable to submit this data as requested due to the need to change the data collection process, and efforts are underway to track the data as requested.

- C. No, Other Reason (provide explanation, then proceed to Question 6)

"No, Other Reason" provides an opportunity to indicate a different reason that your agency is unable to track individuals over time (e.g., you operate an anonymous hotline that does not allow for the collection of client information).

Explanation (required):

SUBGRANTEE DATA REPORT

4. Number of NEW individuals who received services from your agency for the first time during the reporting period

INSTRUCTIONS: Report the number of NEW individuals served by your organization with the use of VOCA plus match funds for the first time during the reporting period. This number should be an unduplicated count of NEW clients served during a single reporting period, regardless of the number of services they received or victimization types with which they presented.

If your organization can only track clients from one reporting period to the next, and not from the beginning to the end of the Federal fiscal year, report the number of "new" clients who did not receive services during the previous reporting period.

For the first reporting period of each fiscal year (Oct.– Dec), ALL clients should be counted as NEW to establish a baseline for that year.

Number

5. Demographics (for NEW individuals identified in Question 4)

INSTRUCTIONS: Count each NEW individual in only one race/ethnicity type as self-reported. Individuals who self-report in more than one race and/or ethnicity category should be counted in the "Multiple Races" category. The total number of individuals in each demographic category should equal the number of NEW individuals reported in Question 4. This data is used for statistical purposes to comply with Federal regulations.

If no data is collected for a category, enter the number of new individuals as Not Tracked or Not Reported.

- *Not Reported* represents that the subgrantee collects this data, but it was not provided or indicated by the person completing the intake form.
- *Not Tracked* represents that the subgrantee is unable to submit this data as requested in the PMT due to the need to change the data collection system. Efforts are underway to track data as requested.
- *The value of "0" represents a true value of zero.*

APPENDIX B

The descriptions below are based on Federal legislation (unless otherwise noted), which provides guidance to states by identifying a minimum set of acts or behaviors to define the crime. OVC understands that state statutes may vary. Please interpret your state code within the definitions provided to report requested data.

GENERAL DEFINITIONS:

a. Child

A person under the age of 18 or as otherwise defined by State law.

b. Federal Fiscal Year

October 1 through September 30

c. Services (as defined by program guidelines)

- i. Respond to the emotional and physical needs of crime victims
- ii. Assist primary and secondary victims of crime to stabilize their lives after a victimization
- iii. Assist victims to understand and participate in the criminal justice system and
- iv. Provide victims of crime with a measure of safety and security such as boarding-up broken windows and replacing or repairing locks.

d. Crime Victim or Victim of Crime

A person who has suffered physical, sexual, financial or emotional harm as the result of the commission of a crime

e. Teen

OVC describes a teen (for purposes of this report) as a youth, ages 13-17. Use this definition to capture youth ages 13-17 who present for services for a primary and/or additional victimization where applicable: for example, teen dating victimization.

f. Victim Funded Project

VOCA funds plus match

g. Victim Services Program

All services and activities offered on behalf of victims of crime, including the VOCA grant and match.

VICTIMIZATION TYPES:

a. Adults Sexually Abused/Assaulted as Children

Adult survivors of sexual abuse and/or assault suffered while they were children.

b. Adult Physical Assault

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

**OFFICE FOR VICTIMS OF CRIME
VICTIM ASSISTANCE FORMULA GRANT PROGRAM
PERFORMANCE MEASURES**

SUBGRANTEE DATA REPORT

Simple Assault: Assaults and attempted assaults where no weapon was used or no serious or aggravated injury resulted to the victim. Intimidation, coercion, and hazing are included.

c. Adult Sexual Assault

Includes a wide range of victimizations; crimes that include attacks or attempted attacks generally involving unwanted sexual contact between victim and offender. Sexual assaults may or may not involve force and include such things as grabbing, fondling, and verbal threats. Also included is rape, which is defined as penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration of a sex organ by another person, without the consent of the victim; may also include penetration of the mouth by a sex organ by another person.

d. Arson

Any willful or malicious burning or attempting to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, and so on.

e. Bullying (cyber, physical, or verbal)

Repeated, negative acts committed by one or more children against another. These negative acts may be physical or verbal in nature – for example, hitting or kicking, teasing or taunting – or they may involve indirect actions such as manipulating friendships or purposely excluding other children from activities. Implicit in this definition is an imbalance in real or perceived power between the bully and victim. Examples of cyber bullying include mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.

f. Burglary

The unlawful entry of a structure to commit a felony or theft. The FBI's Uniform Crime Reporting (UCR) program includes three sub classifications: forcible entry, unlawful entry where no force is used, and attempted forcible entry. The UCR definition of "structure" includes apartment, barn, house trailer or houseboat when used as a permanent dwelling, office, railroad car (but not automobile), stable, and vessel (i.e., ship).

g. Child Physical Abuse and Neglect

This may include physical abuse that is nonaccidental physical injury (ranging from minor bruises to severe fractures or death) as a result of punching, beating, kicking, biting, shaking, throwing, stabbing, choking, hitting (with a hand, stick, strap, or other object), burning, or otherwise harming a child, that is inflicted by a parent, caregiver, or other person. Such injury is considered abuse regardless of whether the caregiver intended to hurt the child. Physical discipline, such as spanking or paddling, is not considered abuse as long as it is reasonable and causes no bodily injury to the child.

h. Child Sexual Abuse and Assault

This may include activities such as fondling a child's genitals, penetration, incest, rape, sodomy, indecent exposure, and exploitation through prostitution by a parent, caregiver, or other person. Includes teen sexual assault.
